Innovation is in the **WERZALIT®** DNA!

At **Werzalit**, our desire remains unchanged: **that you reserve the best table !**

A table remains synonymous **with friendliness** and we are constantly working to ensure that the most memorable moments of our professional and personal lives are lived around it.

Always staying ahead on the 21st century trends, **the Werzalit table** is also **technological and connected**:

— With the **integrated Ipan Ipan wireless charging solution**, charging of your smartphones is now done by **simple induction** and in complete discretion, allowing your customers to **always stay connected**.

— Thanks to our collection of Contact X4 **self-stabilising table bases**, the **Werzalit table** adapts, as if by magic, to irregular surfaces, thus guaranteeing **impeccable service** and **ultimate satisfaction for your customers**.

Wide ranging, inventive, hygienic and environmentally responsible, Werzalit Tables are design for the most recent **trends**. We are ready for 2022 with **15 bold and varied new decors**. Our collection has never been enriched with so **many new proposals** in a single year!

Our **BISTRO range**, always more in demand, has, for its part, crossed a further step towards **refinement** with **10 new exclusive decors** available in 3 different real metal finishes.

Finally, using the **strength of our competencies** within the global Werzalit Group, **Werzalit** has expanded its range to be ever **more present both outdoor and indoor**: moulded laminate, HPL, wood look laminate and solid wood.

Also with our **complementary range of Table Bases and Chairs**, it gives the **Werzalit table** its originality, uniqueness and character.

In this year 2022 where **welcome and hospitality** are key words, we are happy and proud to **invite you to our table**.

THE ORIGINAL

HYGIENIC

Our table tops have been subjected to numerous **laboratory tests**, the results have shown **excellent resistance to bacteria**. More than 99.7% of bacteria are eliminated after a simple cleaning with water and / or soapy water, which allows **easy maintenance and safe use**.

MADE IN FRANCE

FRENCH PRODUCTION

The quality of French production recognized worldwide, linked to our **know-how**, has enabled Werzalit to offer quality products on the market since 1923.

The thoroughness and quality of the work of our **employees** at our **production site** located in Rochefort (on the French west coast) allow us to produce and deliver **throughout Europe** and the **whole world, at any time of the year**.

ENVIRONMENTALLY FRIENDLY

The manufacture of our products as well as **the choice of materials** from which they are made are always done with **the greatest respect for nature**. Our production is made from **100% recycled wood**. We optimize waste from the wood industry.

INDUSTRIAL

Our capacity as an industrialist and as main player in the market since 1923 allow us to display recognized **production quality as well as exemplary local service**. The WERZALIT CLASSIC moulded laminate tops are **guaranteed for 5 years, waterproof, and UV resistant**. Ideal for indoor and outdoor use.

SERVICES

TOP 20/50

Our selection of decors adapted to your needs. benefit from a **choice of 8 formats and 50 decors** for **multiple possibilities** and warm atmospheres. As a manufacturer, these 400 possibilities are kept in stock in order to best anticipate the needs of customers throughout the year.

Stock is Werzalit's key to deliver you optimally.

WERZALIT CLASSIC table tops are ready to ship in 5 and 15 days respectfully.

BISTRO

The first manufacturer to bring you the tradition of 70/70, 60/60 rimmed outdoor table tops, we are a guarantee of quality to provide you 55 x 55, 60 x 60 and 70 x 70 framed outdoor table tops.

POD THE CREATION

Werzalit, the **French manufacturer**, is always one step ahead with **innovative creative lines** and **constantly updated on-demand products**. In addition to the already existing library and as a true fashion designer, several themed collections will be offered to you during the year.

NOTES

WERZALIT® is above all more than 60 years of passion and creativity in making moulded laminate tops.

It is also thanks to a unique collection of materials (FFPC, imitation wood, solid wood), legs and chairs as well as innovation techniques, that assure the Werzalit table remains not just practical but modern.

On top of our proud status as French manufacturer backed by a European group, it is the WERZALIT® brand that shines everywhere in the world with its wide range, quality products, neat finishes and constantly renewed styles.
